REFERENCE ALPHA

The Reference Alpha are the result of an intensive development phase with the clear aim of creating the ultimate Reference loudspeaker. As the new flagship of the iconic Canton Reference series, it embodies the highest high-end sound quality, technical brilliance and uncompromising attention to detail. The impressive loudspeakers were designed and developed with great passion – from the careful choice of materials for the cabinet to the perfect surface design. The focus was on the further development of precision, dynamics and fidelity in order to set new sound standards.

High End speaker – 3-way, bass reflex system

Drivers	4x 219 mm BCT-Woofer, 174 mm DLC-Midrange, 25 mm DLC-Tweeter
Transmission range	18...40,000 Hz
Impedance	4...8 Ω
Dimensions (HxWxD)	164x46x72 cm
Weight	145 kg
Colours	Warm Grey, Midnight Blue

Price/unit: 30 000 EUR

REFERENCE ALPHA 2

High End speaker – 3-way, bass reflex system

Drivers	4x 192 mm BCT-Woofer, 1x 174 mm DLC-Midrange, 1x 25 mm DLC-Tweeter
Transmission range	19...40,000 Hz
Impedance	4...8 Ω
Dimensions (HxWxD)	142x41x66 cm
Weight	91 kg
Colours	Warm Grey, Midnight Blue

Price/unit: 20 000 EUR

REFERENCE

With the Reference series, we have created an intricately built masterpiece in which every detail has been carefully thought through and executed to the highest standard. Innovative materials – carefully selected, refined and perfected – meet perfect craftsmanship. For a sound quality that meets even the highest demands. In countless listening sessions, sound by sound, what defines the Reference series today finally emerged: limitless audio pleasure. And visually, we're taking our Reference Series to a new level.

SUBWOOFERS

Greater depth for your home cinema system: our active subwoofers provide the necessary amplification for low-frequency signals. As the heart of any home cinema system, they convey the emotion of the film's storyline. Canton's compact and powerful subwoofers provide a robust low-frequency foundation and are matched in sound and appearance to our Hi-Fi series.
